

Our Simple Promise

The only "personal" information we collect from you is contact, dietary and disability details.

We will never pass your information to anyone outside The Royal Society of Chemistry for them to use for their own marketing purposes.

We will make sure our contact with you is relevant, based upon the preference information you give us.

You can change your contact preferences at any time. All you need to do is update your preferences by contacting us at maggi@maggichurchouseevents.co.uk.

Your information will be stored safely and will remain secure at all times.

No information will be kept any longer than necessary in order to fulfill the purpose for which it was collected and, if you ask us to, it will be deleted immediately thereafter. Please note that, if you ask us to delete your information, this will supersede any previous permission and remove you from all contact lists.

We will always comply with the Data Protection Act 2018 and all other applicable laws and EU Directives.

Please let us know if your details change so that we can keep in touch.
